

Dear Val,

Please accept my apologies for tomorrow's meeting. I am attending a meeting concerning the future of The Horton.

My report for the meeting is short.

'Since being elected last September I have joined the Community Partnership Network and the Oxfordshire Joint Health Overview and Scrutiny Committee. In both of these roles I have done I can, with the support of all members of Cherwell District Council and Victoria Prentis, to challenge the plans to downgrade The Horton.'

Councillor Andrew McHugh  
Cherwell District Council  
Adderbury, Bloxham and Bodicote Wards
